

Avit™ – the range of Good, No Nonsense tools from Carl Kammerling International. The Avit range covers all of the core hand tools that are needed by tradesman, and provides a great value proposition for your customers.

A profitable range of great tools attractive to all trades

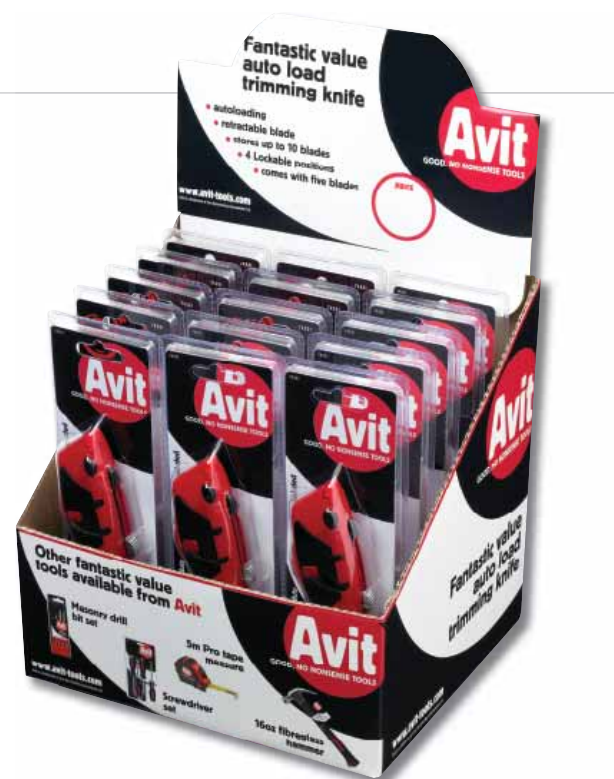

Everything about the Avit brand – from the packaging to the merchandising and value pricing - is designed to generate impulse purchases for you.

By positioning the great looking products prominently in your store, you can expect to receive incremental, high profit sales.

Merchandising solutions that will utilise every inch of your store

The products are right – the packaging is well designed but what will really turn Avit into fast sellers is the new range of Avit merchandising solutions.

A profitable range attractive to all trades, with merchandising solutions that will utilise every inch of your store.

13555 Fibreglass hammer

Item Number	i	🛒	✕
13555	plain box	16oz	box quantity 6
13541	plain box	20oz	box quantity 6
13557	counter box of 12	16oz	box quantity 1

You can't get your hands on a better hammer at this price - a drop forged, heat treated head for strength and safety, a fibreglass handle prevents corrosion and a non-slip cushion covering reduces fatigue and protects against impacts.

A no nonsense way to more impulse sales.

74331 Auto Load Trimming knife

Item Number	i	✕
74331	plain box	box quantity 6
74333	clip strip of 6	box quantity 1
74334	counter box of 18	box quantity 1

As easy to use as it is on the eye thanks to its soft grip and auto-load functionality - others just don't cut it somehow.

All products are available in box quantities only.

13581 Builders level

Item Number	i	📏	✕
13581	plain box	1000mm 40"	box quantity 6
13583	merchandise unit of 24		box quantity 1

1 metre long, made from ribbed section aluminium for strength and lightness, milled for accuracy and featuring three vials - vertical, horizontal and 45° angle: this is one affordable tool that works at the very highest level.

13595 Pocket level

Item Number	i	✕
13595	plain box	box quantity 6

We're being straight with you when we say that you won't find a more versatile level at this price - vertical, horizontal and 45° angle vials and with a magnetic base for use on metalwork.

63391 Pro Tape measure

- 24 hour online ordering

99441 Side cutters

Item Number	i	← →	×
99441	plain box	180mm	box quantity 6
99443	clip strip of 6		box quantity 1

A clean, straight cut every time, thanks to a combination of carbon steel for strength, black nickel for protection and finish, and soft grip for secure handling – for side cutting, they're out in front.

99471 Combination pliers

Item Number	i	← →	×
99471	plain box	200mm	box quantity 6
99473	clip strip of 6		box quantity 1

Everything you could want: carbon steel for strength, black nickel finish for protection and style, textured dipped handles for grip and comfort – but at a price that won't squeeze too hard.

13563 Hacksaw

Item Number	← →	×
13563	300mm	box quantity 3

One look and you can see that this is one tool that's a cut above its competitors - lightweight, soft to grip and keen in the cut.

13571 Junior Hacksaw

Item Number	← →	×
13571	150mm	box quantity 6

One look and you can see that this is one tool that's a cut above its competitors - lightweight, soft to grip and keen in the cut.

13551 Tri-cut hand saw

Item Number	← →	×
13551	550mm 22"	box quantity 6

Fast smooth cuts every time thanks to triple ground teeth – and to the fact that they're hardened and coated against corrosion. Available with dump bin M0105.

99240 Screwdrivers set of 4

Item Number	i	×
99240	plain box	box quantity 6
99242	clip strip of 6	box quantity 1
99243	counter box of 18	box quantity 1

Two slotted and two PZD screwdrivers - all in chrome vanadium steel for the strength you want - all matt chrome plated to see you through a good few years.

All products are available in box quantities only.
