

Mega Bite pliers

The range of Teng Tools Mega Bite pliers covers all the popular types of pliers in a variety of sizes and a choice of handle types to cover almost every type of professional automotive and industrial application. Particular attention has been paid to the design and function of the pliers to ensure the highest quality and optimum functionality of the pliers

- A range of 58 different pliers covering all types of cutting and gripping in all sorts of sizes
- A choice of sets with high quality cloth effect wallets or wall racks available as well as various sets using the Teng Tools TC tray system
- Two types of handle to choose from on many models – rubber dipped slim type handles or ergonomically designed two component handles for a more comfortable grip.
- The overall length of Mega Bite pliers are designed to give the maximum leverage to suit the specific pliers whether it be combination, water pump, long nose or circlip pliers
- The chrome vanadium steel and the high carbon steel content and cutting edges on the cutting pliers are specifically angled to suit different materials and applications.

Power grip pliers

A range of regular and long nose power grip pliers covering a wide range of sizes together with a range of all the popular sheet metal and welding grip pliers.

- Self locking with quick release mechanism for easier use
- Unique locking nut on the adjustment knob enables the plier jaws to be preset for easier use when repeatedly working with a common size of fastening
- Wire cutter/crimper facility built in to the jaws
- Manufactured in plated chrome vanadium for durability and strength
- Choice of flat or round jaws on regular power grip pliers
