TCMM715N 715 piece Mega Master Tool Kit

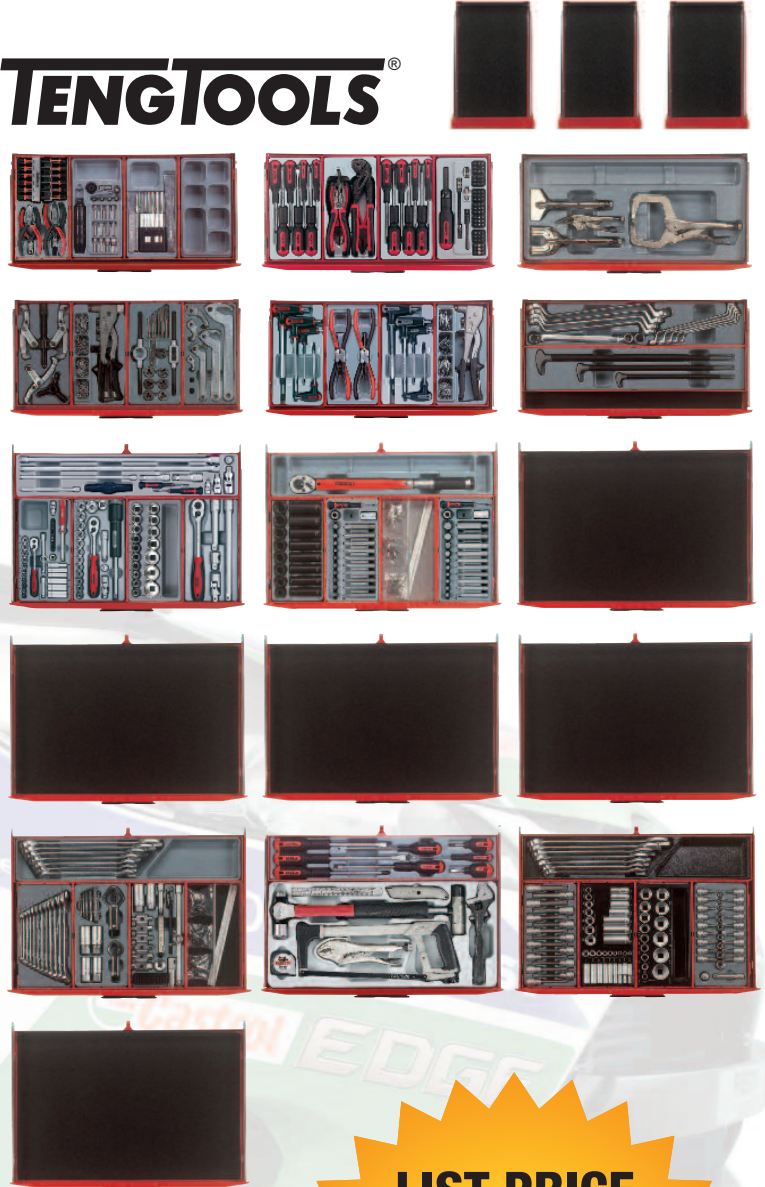

A 715 piece tool kit using the unique Teng Tools tool control system to create a highly organised and very complete tool kit suitable for most tool users and with extra drawer space to add other tools and all the other things you need to keep in your tool box.

Built around the Teng Tools 8 series tool boxes with ball bearing slides and combination locks there are 19 drawers containing over 700 tools.

TCMM715N • 715 piece tool kit - *Just about every tool most people ever need*

TENGTTOOLS®

Teng Tools - working with winners!

2012 sees the Ford WRC team join the growing list of top flight competitors who have chosen to work with Teng Tools. With a number of podium finishes, including a win in Sweden, M Sport join the growing list of champions that work with Teng Tools. If you follow British Touring Cars, British GT, British Superbikes, Elite League and Grand Prix speedway or if you prefer short oval car racing, karting, dragsters or rally cross then the chances are you will see the front leaders using Teng Tools.
